

October 19, 2013,

GHE Clan Representatives and PoCs,

RE: Notice of extension and clarification. Please inform your family groups:

1. I post all relevant information regarding the GHE to www.HardawayAncestry.com using the following link, and passcode: 1901, <http://www.hardawayancestry.com/ghe-meeting-minutes.html>
2. The GHE property tax account opened the week of about October 14, and will thus be paid in full as of Monday, 10/21. Any other heir choosing to remain part of the GHE Organization should send their **\$10 (minimum) contribution payable to Andrew Hardaway** and forward to:

Andrew Hardaway
18777 Stone Oak Parkway, #1036
San Antonio, TX 78258

Your payment's "FOR"- LINE should reference the estate's parcel ID numbers: R17200/R17201. Since the tax account will be paid in full by Monday, 10/21*, your payment will be deposited into the forthcoming Green Hardaway Estate bank account that will be opened by Twonna Sherman and Quinton Hardaway Jr. (as they have been determined by majority vote as the two authorized/designated bank signatories). The bank account information will be released expeditiously.

*A total of \$576 (rounding up for change) was due as of Thursday, 10/17. I mailed the tax office "next-day" a total payment of 545.00 (not including payments of \$50 made out by heirs' payable to me, which will be deposited into our new bank account). The payment of \$545.00 I sent was to arrive by 3pm on Friday, 10/18. According to her receipt, an additional \$30 was paid by Roslyn Martin. Other than some change, we shall be paid up in full on the GHE property. I will call to confirm on Monday, 10/21 that no outstanding remains/settle change outstanding on the GHE property account.

- a. **All heirs who wish to remain part of the GHE Organization MUST respond with the ballot/report (made part of letter 14, dated for 10/1) OR have been in attendance to the last 2/3 quorum/board meetings, AND have CONTRIBUTED TO THE GHE TAXES whether individually or as a clan. I must receive confirmation of your payment and receive your receipt by mail as soon as possible. Again, return your ballot/report AND payment (or confirmation of a payment). If you have been in attendance at the last 2/3 meetings, you must still contribute to taxes to continue on with the GHE Organization. Finally, if you have paid for someone I need to know that information, so that if I receive their ballot/report they are not defaulted to the inactive status.**
 - i. Postmark ballot/report material no later than 10/26, and make your payment out to Andrew Hardaway and send to 18777 Stone Oak Parkway, #1036, San Antonio, TX 78258.
3. After the 10/26 deadline, the GHE Organization will:
 - a. Reflect on its consolidation/reorganization and review the active members of its organization.
 - b. Come together in order to determine how to proceed in pooling interest and move forward.
 - c. Determine/Revise structure as an organized entity, including creation of a Constitution and Bylaws for both business and legal purposes.

A big thank you to all the GHE Tax Contributors as of **Saturday, 10/19** (with confirmation by receipt in the possession of the GHE Authorized Representative, or whose payment was mailed by the GHE Authorized Representative):

I am aware of the fact that some individuals and families have contributed to taxes (as I called the tax office and found that there were credits toward the accounts), but until confirmation arrives, as requested, I can only make note of it, rather than make it apart of any official GHE Organization record. If you choose to remain part of the GHE Organization and therefore continue to receive correspondence, please send receipt of payment. Further, it is essential that I reiterate that if you wish to continue as a member of the GHE Origination it is essential that you respond using the ballot/report (enclosed with letter 14, dated for 10/1) along with the appropriate material enclosed (or have attended 2/3 of the last quorum meetings/Board Meeting is included if you are a Clan Representative), and include your \$10 (minimum) contribution. If you paid for another individual, I need to have confirmation of that fact by receipt and your acknowledgment. Please mail materials expeditiously. The extended deadline is that all materials be postmarked no later than Saturday, 10/26.

Thank you for all you do,
 Andrew Hardaway
